

Virginia Green is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations; and this profile provides a full list of all their "green" activities. These are the activities that guests / customers can expect to find when they visit this facility.

Virginia Green Profile:

Twin Lakes State Park

Cedar Crest Conference Center

Green Bay, Virginia

Cedar Crest Conference Center is located within Twin Lakes State Park, in Prince Edward County, less than an hour's drive from Richmond. The park offers many recreation and cultural opportunities including fishing, hiking, boating, and historical and educational programs. The Conference Center features three meeting rooms, one large seating up to 100 and two smaller ones that can accommodate up to 35. The Center welcomes small meetings, management retreats, company picnics, weddings and family reunions. Cedar Crest Conference Center is committed to environmental excellence and works to minimize environmental impacts whenever possible.
